

Personal data processing consent

« ____ » _____ 202__.

I, _____,
(full name)

passport: _____,
(passport number, issuing authority and date of issue)

residing at: _____,

hereinafter referred as – Owner of personal data, am giving my consent to
_____,
(name of the educational institution of higher education)

registered address: _____ (hereinafter referred as the University), for processing of the Owner's personal data, stated in clause 3, under the following terms and conditions.

1. The Owner gives consent to the University for processing their personal data, that's is, performing the following actions: collection, systematization, accumulation, storage, rectification (updating, alteration), usage, distribution (including transmission), depersonalization, blocking, destruction of personal data (general description of the above methods of data processing is given in the Federal Law dated July 27, 2006, No. 152-ФЗ "On Personal Data"), as well as the right to transfer such information to third parties, if it is necessary to ensure and monitor the educational process, scientific, organizational, financial, and economic activities of the University, in cases established by the regulatory legal acts of the Russian Federation.

2. The University shall be obligated to use the personal data of the Owner to ensure and monitor the educational process, scientific, organizational, financial, and economic activities of the University in accordance with the current legislation of the Russian Federation. The University can disclose any information to law enforcement authorities upon an official request only in cases established by the legislation of the Russian Federation.

3. List of personal data given to the University for processing:
